

## 2024 League summary

Here we go, the portly chap with a white beard and red suit will soon be with us so it must be time to work out the leagues and see who has done consistently well throughout the year. Unfortunately, there are those that have not officiated at events or left it until late in the year and the event they were going to do was cancelled, so despite doing quite well they will not be in line for any of the trophies. But sometimes that's the way it goes, and everyone needs to muck in so the Club can run. So, after a year of competitive events who has won the silverware that gets handed out at the AGM?

RTV – A year for the bigger vehicles this year. Well done to Alan Taylor who comes out on top this year in his Disco; just reward for slogging around the M25 for every event. Dave Green (Ashford) was 2<sup>nd</sup> in his 110 which is no mean feat, but as he has some sort of Harry Potter power that makes it shrink between trees (a la Pluckley a couple of years ago) then maybe we shouldn't be surprised. Mark Baitup was the first shorter vehicle, coming in 3<sup>rd</sup> overall in his 90.

CCV – It looks like Terry Buss is now in sync with his vehicle and is back to his best, holding off Harry Powell who retained his 2<sup>nd</sup> place from last year. Congratulations Terry; and sure as eggs are eggs Harry will always be there or thereabouts. There was a new name in the overall results this year as Shaun Stocking is a credible 3<sup>rd</sup> overall.

Qualification – it should be remembered that the League Qualification Points are automatically allocated in the order RTV then CCV (we don't run a Timed Trial league anymore), so if you only have 3 qualification points and enter an RTV, this is the league you will be qualified for, unless you notified me that there is a league you do not wish to be in (this needs to be prior to any events you take part in that would count towards that league). However, you can move your qualification between leagues, but to do so you need to let me know before the leagues are declared final at the end of January.

Team Southern Rewards – those of you that have a surplus of league qualification points left after any have been deducted for any league you may have competed in, will have a choice of an item of "Team Southern 2024" clothing. These are unique and cannot be bought, they have to be earned. To see what you are eligible for, just look down the far-right hand column of the Qualifying page and this will tell you how far up the list of Tee-shirt, Polo shirt, Sweatshirt or Fleece you can go. (E.g. if the sheet says you can have a Fleece, you can have anything, if it says Polo, you can only have a Polo or a Tee shirt.) Can you please let a committee member know what you require by the end of January and they will be presented at the AGM in March.

These results will remain provisional until the end of January 2025, after that they will become final and the relevant trophies presented at the AGM.

Any queries, please get in touch.
