Augst Committee Update:

Southern News August 2024

www.sroc.co.uk

The committee held their regular monthly meeting on Monday 19th August.

With the clubs 2-Day team trial having run successfully in the previous weeks, Dawn covered the feedback from the event which was hugely positive. The event also made a healthy profit to add to the clubs' funds. 2025's 29th running of the SROC 2-Day CCV Team Trial is already progressing well from a planning perspective. More on that early in 2025, keep your eyes peeled.

With the August Bank Holiday event at Copford is looming ever closer (By the time this is published it will have been and gone), plans were discussed and confirmed. The idea of a MacMillen Coffee morning on Sunday afternoon has been proposed, and the club will be proceeding with plans to add it to the weekend schedule as well as a Breakfast club for Sunday morning. Clerks are all in place as are all other event staff members. Indications are that we will have a busy and successful event.

We still need some event staff for the remaining events in 2024 with Deudneys Farm over the 14th and 15th September being the most pressing. Following that we have the Grove House farm events near Elham later in October which will need manning also.

The Chairman covered the latest meeting from the ALRC for Chair's and secretaries. More on this will be circulated as and when something needs to be communicated.

The meeting was fairly run of the mill and nothing further needs communicating.

The next meeting is planned for Tuesday 17th September!

That's a wrap

Well, that's a wrap for this year's edition of the SROC 2-Day CCV Team Trial.

We had a full entry, a fantastic site and were blessed with some good weather. To put it simply, the sections were fantastic and as the saying goes, give someone enough rope... and there were plenty of top drivers hanging themselves. As the scores will show, a gentle scenic drive it certainly wasn't, they had to work for it.

It wouldn't have happened without the commitment and effort put in by club members and a special thanks to those from other clubs that helped marshal.

The rollcall!

Event Director – Dawn Davis

Clerks – Mick Chick

George Chick

Garry Chick

Assisted by – Steve Smith

Charlie Newland

Dave Green

Thomas Constable

Graham Bridgland (Awarded the Spirit of the Event)

Steward – Paul Barton

Scrutineer – Dave Canham

Other officials – Jenny Tanton Brown, Stephen Greenwood, Tracey McCartney, Ian Davis, Franklin Ashe, Diane Buss, Ron Baker, Chris Stokes, Chris Horn, Dave Constable, Jamie Firrell, Judy Wilson & Hilary Finney from P&LRC, Deborah Luxford, Alan Taylor & Shaun Lillywhite.

Some had more than one role and hopefully we haven't missed anyone. We couldn't have done it without you.

We say thank you to [Medway Fabrications](#) and [Westbury Signs](#) who supported us, [Nikki's Burger Bar](#) that fed us & the [Kent Mobile Bar](#) that watered us.

Of course, we express our thanks to Libby & Chris Lawson who let us come and play on their land and who have invited us back next year.

And finally, we should thank those that travelled from far and wide to take part, we hope you had a safe journey home or if you have stayed on for a couple days, enjoy your holiday. You have been gracious in your praise and we look forward to seeing you again. The planning is already underway.

STILL TO COME:

2024 SROC Competitive events

September	14 th – 15 th	Deudneys Trials W/end RTV & CCV	Deudneys Farm	Herstmonceux
October	12 th – 13 th	Elham Trails W/end RTV & CCV	Elham Valley	Wingmore/Kent
November	16 th	Day/Night Trial	Cowfarm	Herstmonceux
December	7 th – 8 th	Christmas Cup RTV & CCV	Cowfarm	Herstmonceux

2024 Non-Competitive & other events of Interest calendar:

The following is to list shows and events that may be of interest, SROC is not intending to have stands at any of these. Further details of them can be looked up online and may be subject to alteration or correction, some have not yet published the date for 2024, so further information and dates may be added in due course.

There are inevitably clashes of dates, but **REMEMBER please support our own events:**

September	7 th – 8 th	Land Rover Owner Show	Belvoir Castle	Leicestershire
September	7 th – 8 th	Laughton Autumn Show	Laughton	Sussex
October	6 th	4x4 Spares Day	Newbury	Berkshire
October	6 th	Land Rover Day	Amberly	West Sussex
November	3 rd	Veteran Car Run	London to Brighton	
November	8 th – 10 th	(Lancaster) Classic Vehicle Show	NEC	Birmingham

Awards Committee Post

As mentioned in the last Southern News Committee Report, Joy and I will be stepping down from our committee roles by the next AGM. This was not something we thought would come about for a long time, but the unexpected loss of my in-laws brought some serious thinking and decisions forward. As a result, we will be moving to the Milton Keynes area where our daughter and family live.

We still intend to come to SROC events when we can, but with moving arrangements underway this will be difficult for some time.

So far there has not been any response for the Awards role, so I will explain a little of how this currently works and will be happy to explain further.

The main AGM awards need to be managed to keep track of who holds them, who the next winner will be (often based on the results over the previous year or from the National that year) and looking after those awards not presented.

A few are presented at the events rather than the AGM (Easter, August Bank Holiday etc) and these all need to be collected back prior to these events to present to the new winners.

Also, there are the regular events, and while (currently) most winners opt for an engraved plate to put on a plaque some still prefer an individual trophy.

Therefore, the Trophy stock case should be taken to events to cater for this.

Following events the engraving needs to be ordered, often this can be done as a batch for several events at once, then the engraved plates given out in due course.

There is a folder listing all the awards handed out at the AGM or Easter, ABH etc, plus a set of photos of all of them. Due to the reduction of awards given out, many taking the plate options instead, I have a good stock of trophies in hand.

At the end of the year the cost of any engraving and trophies needs to be accounted for on a spread sheet covering each event as a Trophy Cost Statement which goes to the Treasurer.

Obviously a new custodian of the job may have some new and radical ideas to take to the Committee to update this system.

I hope someone is inspired to take on this role and I will be promoting it at prize giving's etc and whenever I get a chance!! (Otherwise, one of our already hard-working Committee will have to care take this from March !!).

If you would like to know any further details just ask.

Phil Newland

**We would like to welcome the following new members.
Hope to see you at events soon.**

AUGUST BANK HOLIDAY (EVENTS WEEKEND)

The "ABH" events weekend year on year seems to be the BIG club event. Lots of events, certainly something to everyone, plus this year the addition of something a little different and for the benefit of a very good cause.

Leading up to the event, staffing had been covered and Copford Farm is where the trailer lives, so the usual last-minute considerations for once needed zero attention.

Friday would see the arrival of the majority of the weekend's campers arriving, plus the setting out of the RTV trial by the brothers Parris. It's a tough job setting out an RTV, certainly more difficult than Tyro or CCV. With RTV you never know who is going to rock up and in what vehicle. In one end of the scale, you have the 110 County or a Range Rover Sport, both big cars though certainly capable. On the other end you get modified 80" Coil sprung series 1's and 90 truck cabs. The range and variety are as wide as the whole Land Rover range from 1948 – present day. However, for the Parris brother who set out in the dry of Friday and then had to contend with the heavy rain experienced from an early hour on Saturday morning. Hats off to all involved though, an eventual turn out of 17 competitors was excellent!!

Sunday's main event was the CCV laid on by a Father and Son pairing of Chicks. However, before that was the SROC Sunday morning "Breakfast club" with Tea, Coffee and Bacon butties. All in all, the through teamwork Paul, Jake and Diane served 60 people with their breakfasts.

The CCV then. Mick Chick had clerkly been campaigning to attract as many entries as possible!! An eventual entry of 24 drivers was his result! Enough to warrant 2 groups to ensure the 10 sections were achievable. We arrived in time for the drivers briefing and set off with Group 2 to the back of Copford led by Mick. Gary had the joys of Group 1 who as it turned out tackled the Left-hand side of the site first.

Dave Powell's 1st attempt to splash me (FAILED)

Harry Powell's 1st attempt to splash me (SUCCESS)

The drivers were on the ball. Walking sections quickly and efficiently and always ready on the line when needed. The first 4 sections were uneventful with just 1 recovery needed to remove an 80 from a fallen tree that it had mounted. Section 5 however saw a number of recoveries from the 3 gate with a bogie run up the stream and a step up at the end. Not only was this the scene of multiple recoveries, but also where Dave Powell's 2nd attempt at splashing me succeeded. Not photographic evidence I am embarrassed to report. But, Dave knows he is on the list!!! I'll get you Dave!!

Lunch came next, with Terry giving me a lift back to the camp site. Following my soaking, it was deemed unsuitable to sit in the discovery. Whilst on the lunch break, the 2nd of the days "Additional events" setup was on the go. With the club shelter sourced, tables, urns and decorations all set up ready for the Macmillan Coffee morning (in the afternoon). Cakes and baked goods came from all directions and were labeled and displayed ready. More on this further into the publication.

Back out for the afternoon's sections 6 – 10 then, we started where Group 1 had done so in the morning. The banked side of the site is not for the faint of heart. And a few wheel lifts started to show! Lucky for me no puddles to start with.

PTO.

It was Dave P up first on section and in the wheel lifting competition. However, he was soon out done by Charlie Newland who (in his Chick Motor's rental) managed this "Puckering" moment at the 2 gate.

Further into the afternoon sections saw more ups and downs both in terrain and mechanical failures. With Dave P exceeding the capabilities of his NS CV joint at the very top of section 7 and Franklin disconnecting his steering aided by a rather large tree stump. In the mist of it all though, section 9 with its 3 big mud holes ready to catch out the drivers. The pictures don't do it justice. But head over to Youtube and search for ["SROC CCV Trial August 2024"](#) for 2 parts of action from the day. Part 2 is where you will find the mud!!

When all was said and done. The eventual winner was no stranger to collecting trophies. Harry Powel on just 4 points had pipped Terry Buss to the victory. Prizes aside though, all we saw all day was smiles and when the Chick motors V8 was switched off all we heard was banter and laughter. To me, that is exactly what the event should be about.

Well done to Mick, Gary and their team for a brilliant event and for attracting such a huge entry! It was great to see! So, until the next time, thanks again and see you all soon.

The Jennings Family

(John, Bev, Jack and Joshua)

"SOMETHING A BIT DIFFERENT"

With plans in full flow for the ABH events and camping weekend, the committee received a suggestion through from club member Diane Buss. Would it be possible to put on a MacMillan Coffee afternoon on the Sunday of the event?

The idea being that the club and its volunteers though the strength in numbers of the members in attendance could give a little back by raising funds for a good cause. Unanimous was the response from all the committee in favor!! Plus, the addition of a breakfast club on Sunday morning serving Bacon rolls with tea or coffee. So, Diane's idea put forth to the committee by me and with a huge effort by Paul B the charity catering sub events were added to the ABH itinerary.

Sunday morning saw great teamwork by Diane, Jake and Paul serving 60 people with their breakfast clearing £200 into the donations box. Selling out long before the event got started. As lunch time loomed, with the club pop up shelter being sourced, saw the Coffee afternoon set up getting started. Once again lots of members joined in to support and assist the setup with cakes galore coming from all directions.

It was not until we returned from the CCV trial at about 4pm that we saw just how many people had donated and supported this event. Unfortunately following the CCV action, my camera battery had depleted in charge so no photographic evidence is available. But, believe me, more cakes than anyone person could desire were on offer and with Diane and Nikky on hand to serve the willing customers. It was a joy to behold! To add to the charity funding, a Victoria sponge Gateau had been donated, so with a pre prize giving auction won by Dave Canham, £65 was immediately added to the pot. (Dave would also add more to his bit to made up the final number)

At the end of the day, MacMillan Cancer support would have a £500 donation ready to head their way. A brilliant day's efforts by everyone who supported this event. I would like to specifically name and thank Diane Buss, Nikky Powell, Jake Farrington and Paul Barton for making all the above possible.

I sincerely hope that this might have the legs to become a permanent feature of the August Bank Holiday events. It was a totally different atmosphere a normal trials day finale. Once again, thank you to all who made, bought, served, bid and helped to make it happen!

Regards The Jennings Family

(John, Bev, Jack and Joshua)
